x		Dave Taylor Smith
x		Becky Stranges
	x	Chet Wilcox
x		Liaison, Mark Bardeen

Public Hearing: None

Opened: 6:04 PM

Minutes Approved: December 12, 2011 (1st Bob , 2nd Chad)

Certificates of Appropriateness Applications: None

Old Business:

- **Development of a Sign Ordinance – W. Longwell and C. Faulkner** We went over Ideas with the group. Walt and Chad will be getting together before next meeting and put together something for approval

- **Progress on communication with Real Property sharing of information (change of ownership)** C. Faulkner talked with his contact and went over more information with Real Property. They feel that we could do something they just have to look at the new systems that are in place and figure out how it will work for us. Chad will continue to work on this.

- **Grant Application Procedure – Becky** received information about the Grant application at the very last minute. They informed her to get everything filled out and submit. They did not feel we would have any issues getting approved. Becky was working on and had to have finished by the end of January.

- **Painting of Trash Can Guidelines – Bob** calls for a vote to approve the changes to guide lines of the painting of Trash Cans. Chad Seconds

New Business:

•Possibility of regularly submitting articles for the Courier – Becky checked with courier. Her contact is trying to have the idea approved through his boss. He will let us know when that happens.
